

Confraternity of Saint James

Guide to the Voie Littorale 2010

Printing instructions

N.B. the Guide is designed to be printed and then folded to make a double-sided booklet: it is essential to follow these instructions!

- 1. Practice double-sided printing until you are confident of feeding the paper into your printer the right way round and the right way up.**
- 2. Print all the odd-numbered sheets first. You should be able to set your printer to do this in one go. The sheet numbers are included in small type, top centre of each sheet.**
- 3. Then print sheet 2 on the back of sheet 1, sheet 4 on the back of sheet 3, etc. We recommend doing this one sheet at a time. The guide below may help.**
- 5. When finished, stack with sheet 1 at the bottom, odd numbers facing down and even numbers up - so that sheet 40 appears on top of the pile.**
- 6. Fold in half to make an A5 booklet. (The sheet numbers will disappear in the fold.)**
