Guide to the Camino Inglés 2011

Printing instructions

N.B. the Guide is designed to be printed and then folded to make a double-sided booklet: it is essential to follow these instructions!

1. Practice double-sided printing until you are confident of feeding the paper into your printer the right way round and the right way up.

2. Print all the odd-numbered sheets first. You should be able to set your printer to do this in one go. The sheet numbers are included in small type, top centre of each sheet.

3. Then print sheet 2 on the back of sheet 1, sheet 4 on the back of sheet 3, etc. We recommend doing this one sheet at a time. The guide below may help.

5. When finished, stack with sheet 1 at the bottom, odd numbers facing down and even numbers up - so that sheet 30 appears on top of the pile.

6. Fold in half to make an A5 booklet. (The sheet numbers will disappear in the fold.)
